

How come my enterprise is not listed?

For an enterprise to be listed, it must be approved by the database administrator. Please send an email to admin@nids.mtic.go.ug and you will be given instructions on how to have your enterprise listed.

What do I gain by having my Industry Listed?

This database is accessed by all internet users in the world. Your enterprise will be found and your products will be marketed to all internet users. Partners looking for business ventures will get in touch with you directly and suppliers wishing to provide raw materials will be contacting you directly. We thus highly recommend that you get your enterprise listed.

How accurate is this data on this website?

The data on this website is a result from research findings. The research is verified by the officials at the Ministry of Trade Industry and Cooperatives. The verified data is then input into the database. Every year, research is carried out to update the results. The last research was carried out in 2012.

My enterprise is wrongly listed. Some information is not captured. How do I update this information??

We actually encourage people to update their information regularly. To do this, you can send an email to admin@nids.mtic.go.ug and you will be given access to update your enterprise.
